An experience is the process of personally participating in an activity, event or lifestyle. Fantasy does not always translate over to reality because reality must contend with the bodily limitations of the physical world, whereas fantasy enjoys the unlimited boundaries of the imagination. Nevertheless, fantasy is often the product of reality. For one person's fantasy is another person's reality. ; ; Notable FemDom author Elise Sutton examines the Female Domination lifestyle by taking the reader into the personal relationships and sexual practices of everyday people who live astonishing secret lives. ; ; Elise adds her insight

and commentary as she examines what constitutes a successful FemDom relationship.

Tips & Tricks for Keyholders Multnomah

Author Key Barrett started out writing a journal for chastity. He decided that he wanted to be locked in chastity for seven days in order to better understand the motivation behind chastity and

the emotional aspects so he could write about it with greater understanding in both his fiction and nonfiction. So he spoke with his wife and she agreed to let him go seven days in chastity with her holding the key, only unlocking him if he needed it for safety reasons, to make sure everything is working properly, or if she had sexual interest in freeing him. What started as a simple one week journal quickly blossomed into something else entirely. By the third day he was feeling butterflies just when his wife touched his hand. By day four, she noticed he was much more engaged in their household and being an active and proactive partner. What started as a week for him quickly became two weeks for them both to journal. Through chastity and communication, they identified a sexual trade-off that existed in their marriage, a 'barter system' wherein every action he engaged in had an undercurrent of sexual pressure, a literal tat-for-tit. Freed from it through a chastity device, they were able to enjoy each other on a more meaningful and trusting level. And in lowering the quantity of sex, they raised the quality. This book takes what they learned, plus surveys and research derived from male chastity users, and shows couples how they too can end the barter system, increase communication and bring back the courtship phase, butterflies and all. Learn what you can do to improve your marriage, increase intimacy, feel more connected emotionally, and make her daily life easier with a simple, sexy, fun exercise in chastity.

Do you want to feminize a male, or you as a male want, or have been told to, become feminized? Feminization: 1) To give a feminine appearance or character to. 2) To cause (a male) to

assume feminine characteristics. This is not for those who wish to permanently change their gender, but rather for those who wish to feminize temporarily, though sometimes repeatedly and regularly, in order to proficiently crossdress as a woman. This feminization guide is for a male by gender who, may, or may not be, a "real" man by some opinions, but nonetheless a male, who has chosen, or has been told to, or is being coerced into, becoming feminine in appearance and character. This guide is to be given to those who have been tasked with becoming a feminized male as part of a process to feminize them, or purchased for use by males who wish to feminize themselves. It doesn't have any magic potions or formulas, special makeup or fancy tools, use any drugs or surgery. It does cover all the aspects of eliminating the 'man markers' that set males aside from women, and make a male less feminine than they could ultimately be. It will demasculinize anything that may have had a masculine overtone with the male. It will also aid the feminized male to feel more sensual and sexy in a feminine role. The guide is short - about 15,000 words and around sixty pages, but covers eliminating the things that keep a male from becoming as fully feminized as much as their male body and characteristics allow. After the male has read this, acted upon this information fully, and practiced, he will be the best feminized male he can be. He will reach crossdressing perfection as a male to female (MTF) cross dresser. He will have the routines of maintenance and upkeep of the feminized male body, which will keep him ready, and most likely anxious, to fairly quickly, crossdress at the request of their wife, mistress, or whim of his own. Whether the reason be from femdom, a wife led relationship, female led

relationship, cuckolding, cuckoldry, a hot wife, male chastity, forced crossdressing, forced chastity, female domination, submissive training, sissy training, or purely their own desire to become feminine, a diligent male student who incorporates the information in this guide with passion and drive will become the perfect crossdressing male, as fully feminized as possible. Upon following the elements in this guide, the feminized male will be able to proudly display how feminine he has become to anyone he, or the one who coerced him, choose to. Should this be a singular undertaking, the individual will be able to see and feel the difference in the degree of feminization they have achieved after practicing and perfecting the elements, and thus, bring greater pleasure and satisfaction to the resulting feminization. This will be time consuming and will require dedication and diligence in order for a male to feminize to his best. If you are purchasing this for yourself, or someone else, beware of that in order to allow the necessary time and resources. Look inside now. Buy yourself a copy, or give one to a male you want to feminize. It is a small, but valuable investment in a male's journey toward maximum feminization.

A Living Sacrifice is a comprehensive guide for men who are discerning God's call. It serves as both an introduction to religious life as well as a guide for discerning vows of poverty, chastity, and obedience. With clear language, engaging examples, and solid theology, the book tackles the big questions: "Should I date while discerning?" "Should I be a diocesan priest or a religious brother?" "What community should I join?" "What should I expect during formation?" "What is religious life anyway?" "How do I

know for sure if I'm being called?" A Living Sacrifice includes an overview of most forms of religious life in the U.S., as well as contributions from priests and brothers in many different communities. While authored by Dominican priests, the book is deliberately written for men discerning any religious community. A Living Sacrifice offers a solid alternative to "cyber discernment" by addressing men's most common questions in a single volume. Perfect to bring into the chapel to spark a heart-to-heart conversation with Christ. Co-author Fr. Benedict Croell has been called the most successful religious vocation director in America, with over 100 men entering his community during his time of service. Co-author Fr. Andrew Hofer oversaw the initial formation of new brothers, and offers both real-life insights and a solid theological foundation. Together, they amass their considerable experience to provide reliable advice during every stage of vocational discernment. Foreword by Abbot Primate Gregory J. Polan, O.S.B. Nihil Obstat, Rev. Basil Cole, O.P. Imprimatur, Rev. Msgr. Charles V. Antonicelli, V.G. "I commend Father Benedict Croell, O.P. and Father Andrew Hofer, O.P. on the publication of A Living Sacrifice." - Robert Cardinal Sarah

Helpful advice from a female on how to introduce your partner to male chastity. Avoiding some of the common pitfalls

Queendom St. Martin's Press

There is a lot of variety in the world of fetish and kink, with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects, like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle, the practices and games are an essential part of their relationship, with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase "male chastity" probably immediately spooks some men, or excites others (whether they are willing to admit it or not). Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years, and although this be taboo,

it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman, and excellent for contemporary "tease and denial" games. Exploring male chastity can be a fun new game for adventurous couples, or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown, and she holds the key.
