LAWRENCE BRENDEN

My Neighbor Totoro

Simon and Schuster
In this stunning sequel
to Howl's Moving
Castle, Diana Wynne
Jones has again
created a large-scale,

fast-paced fantasy in
which people and
things are never quite
what they seem. There
are good and bad
djinnns, a genie in a
bottle, wizards,
witches, cats and dogs
(but are they cats and
dogs?), and a
mysterious floating
castle filled with
kidnapped princesses,
as well as two puzzling

prophecies. The story speeds along with tantalizing twists and turns until the prophecies are fulfilled, true identities are revealed, and all is resolved in a totally satisfying, breathtaking, surprise-filled ending. Abdullah was a young and not very prosperous carpet dealer. His father, who had been disappointed in him, had left him only enough money to open a modest booth in the Bazaar. When he was not selling carpets, Abdullah spent his time daydreaming. In his dreams he was not the son of his father, but the long-lost son of a prince. There was also a princess who had been betrothed to him at birth. He was content with his life and his daydreams until, one day, a

stranger sold him a magic carpet. All fans of classic fantasy books deserve the pleasure of reading those by Diana Wynne Jones, whose acclaim included the World Fantasy Award for Life Achievement. As Neil Gaiman stated, she was "quite simply the best writer for children of her generation." The three books in the World of Howl are: *Howl's Moving Castle*, *Castle in the Air*, and *Castle in the Air House of Many Ways*. Other beloved series from Dianna Wynne Jones include the *Chronicles of Chrestomanci* and the *Dalemark Quartet*. **Castle in the Air** Tuttle Publishing The latest in the perennially popular line of Studio Ghibli artbooks, which includes interviews, concept sketches, and

finished animation cels from classics such as *Spirited Away* and *My Neighbor Totoro*. *The Wind Rises* is Miyazaki's love letter to the power of flight and the imagination, an examination of the rise of Japan's military might in the years leading up to the Second World War, and a call for worldwide peace and harmony in the face of destruction. This book captures the art of the film, from conception to production, and features in-depth interviews with the filmmakers.

Dara Palmer's Major Drama VIZ Media LLC From Young People's Poet Laureate and award-winning author Margarita Engle comes a lively middle grade novel in verse that tells the story of a Cuban-

American boy who visits his family's village in Cuba for the first time—and meets a sister he didn't know he had. Edver isn't happy about being shipped off to Cuba to visit the father he barely knows. Why would he want to visit a place that no one in Miami ever mentions without a sigh? Yet now that travel laws have changed and it's a lot easier for divided families to be reunited, his mom thinks it's time for some father-son bonding. Edver doesn't know what this summer has in store, but he's definitely expecting to meet a sister he didn't know existed! Luza is a year older and excited to see her little brother, until she realizes how different their lives have been. Looking for

anything they might have in common, they sneak onto the internet—and accidentally catch the interest of a dangerous wildlife poacher. Edver has fought plenty of villains in video games. Now, to save the Cuban jungle they love, he and Luza are going to have to find a way to conquer a real villain!

The Art of Howl's Moving Castle Penguin One of Studio Ghibli's most beloved classics, Totoro celebrates its 25th anniversary! Eleven-year-old Satsuki and her sassy little sister Mei have moved to the country to be closer to their ailing mother. While their father is working, the girls explore their sprawling old house and the forest and fields that surround it. If I Had a Little

Dream Harper Collins
The animations of Japan's Studio Ghibli are amongst the highest regarded in the movie industry. Their delightful films rank alongside the most popular non-English language films ever

made, with each new eagerly-anticipated release a guaranteed box-office smash. Yet this highly profitable studio has remained fiercely independent, producing a stream of imaginative and individual animations. The studio's founders, long-time animators Isao Takahata and Hayao Miyazaki, have created timeless masterpieces. Although their films are distinctly Japanese their themes are universal—humanity, community, and a love for the environment. No other film studio, animation or otherwise, comes close to matching Ghibli for pure cinematic experience. All their major works are examined here, as well the early output of Hayao Miyazaki and

Isao Takahata,
exploring the cultural
and thematic threads
that bind these films
together.
