The Great Sex Rescue
Thomas Nelson

Dr. Eggerichs' best-selling book, Love and Respect, launched a revolution in how couples relate to each other. Now with The Language of Love and Respect companion workbook, the message of this book can be studied and applied for groups or individual couples. The result will be better communication, understanding, and a successful godly marriage.

The Love She Most Desires, The Respect He Desperately

Needs Thomas Nelson Inc

Based upon Ephesians 5:33 and extensive biblical and psychological research, Dr. Emerson Eggerichs reveals the power of unconditional love and unconditional respect and how husbands and

wives can reap the benefits of marriage that God intended.

Also includes the Workbook.

Conversations from Socrates in the City
Blurb

When you touch your spouse's deepest need, something good almost always happens! Based on three decades of counseling and research, Dr. Emerson Eggerichs leads couples through the intricacies of a marriage built on Love and Respect. He explores the differences in men and women and how a husband's need for respect can be balanced by a wife's need for love. When these needs are mutually recognized and made a priority, a fulfilling and

meaningful marriage will be the inevitable result. Love and Respect for a Lifetime makes the ideal gift: ItÆs all color, photo-filled design makes it inviting for couples to look at together. It is a compilation of Dr. Eggerichs best Love & Respect tips: a quick and easy read that proves enticing to a spouse that might be apprehensive of working through an entire study or book. ItÆs engaging message validates the core needs of each spouse and gives a message of hope, encouragement and practical time-tested solutions for every marriage rather than focusing on placing blame or judging. ItÆs ideal as a gift for dating or engaged couples, as well as a

wedding or anniversary gift. ItÆs elegant design invites the recipients to open, read it together and leave out as a display for others to take a closer look at what it means to love her and to respect him.

Hot, Holy, and Humorous Thomas Nelson

Become an informed, passionate citizen who demands honesty and integrity from our leaders or suffer the consequences of our own ignorance and apathy. In this updated and expanded New York Times bestselling nonpartisan book, Andy Andrews urges you to believe that seeking and discerning the truth really, really matters and that believing lies is the most dangerous thing you can do. YouÆll be

challenged to become a more “careful student” of the past, seeking accurate, factual accounts of events and decisions that illuminate choices you face now. By considering how the Nazi German regime was able to carry out over eleven million institutional killings between 1933 and 1945, Andrews advocates for an informed population that demands honesty and integrity from its leaders and from each other. He includes several key documents written by our Founding Fathers as examples of America’s core principles that present and future leadership should live up to and embrace. We can no longer measure a leader’s worth by the yardsticks provided by

the left or the right. Instead, we must use an unchanging standard: the pure, unvarnished truth.

Preventing Headache and

Heartache Multnomah "Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without

chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while

incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

The Life-Saving Divorce
Thomas Nelson
Is there a secret formula to marital bliss? Dr. Emerson Eggerichs says yes—and it's far less complicated than you might think... Purchase this in-depth summary to learn more.

A Husband-Friendly Devotional that Wives Truly Love Little, Brown
"Shows couples how to speak to each other and give mutual understanding to build a successful marriage"-
-Provided by publisher.

Love & Respect
Zondervan
From the New York Times best-selling author of *Love & Respect* comes the definitive book for mothers and sons. Love is important but it

is respect that is the key to your son's heart. As Emerson Eggerichs transformed millions of marital relationships with a biblical understanding of love and respect, he now turns these principles to one of the most important relationships of all, a mother and her son. The idea of moms respecting their sons may sound alien to some, but it seems to ignite curiosity across the board. It is easy to relate to the need for all of us to feel a mother's love, but is that the same thing as respect? Even for young boys, the effect of respect is nothing short of astounding when applied properly. Moms yearn to learn anything that better helps them with their sons. After all, they

love their boys, but many find them more difficult to parent than their girls, especially from age four and up. What makes this all the more urgent is that moms are coaching fathers to love their daughters, but no one has said boo to moms on specific ways to show respect to their sons, at least not in a way that is applicable and fully explained. All realize that little girls need daddy's love, but who is strongly promoting the truth that little boys (and big ones) need Mom's respect? No wonder mothers feel left in the dark on this topic. *Mother & Son* is also available in Spanish, *Madre e hijo*. [The Language of Love and Respect](#) Thomas Nelson
 Eggerichs has created

an experience for couples that is effective, flexible, and life-changing. To build this couples devotional, he has taken the top concerns that surfaced in a survey of thousands of couples and has developed 52 devotionals around the three cycles that are at the heart of Love and Respect.

Thomas Nelson
 Reveals the secret to couples meeting each other's deepest needs--without love she reacts without respect, and without respect he reacts without love, and a painful, negative cycle begins.

To Love, Honor, and Vacuum Thomas Nelson

Are humans composed of a body and a nonmaterial mind or soul, or are we purely physical beings?

Opinion is sharply divided over this issue. In this clear and concise book, Nancey Murphy argues for a physicalist account, but one that does not diminish traditional views of humans as rational, moral, and capable of relating to God. This position is motivated not only by developments in science and philosophy, but also by biblical studies and Christian theology. The reader is invited to appreciate the ways in which organisms are more than the sum of their parts. That higher human capacities such as morality, free will, and religious awareness emerge from our neurobiological complexity and develop through our relation to others, to

our cultural inheritance, and, most importantly, to God. Murphy addresses the questions of human uniqueness, religious experience, and personal identity before and after bodily resurrection. Workbook Swift Reads Do you want to be a hottie in the bedroom without sacrificing holiness? How can you make the most of God's gift of sexual intimacy in marriage? Wrongful thinking and behaviors regarding sex permeate our culture. Christians need to reclaim sexuality and enjoy it in the way God intended. God does not shy away from the subject of sex. The Bible shows a better way in every area—including the marital bedroom. In

Hot, Holy, and Humorous, author J. Parker gives candid advice for wives from a foundation of faith with a splash of humor. This book can boost your sex savvy and improve your marital intimacy. And guess what? With God's perfect design, you and your spouse can enjoy the most amazing sex!

 Love & Respect: The Love She Most Desires;
 The Respect He Desperately Needs by
 Dr. Emerson Eggerichs:
 Conversation Starters
 Love & Respect: The Love She Most Desires;
 The Respect He Desperately Needs was first published in 2004.

In this book, author Dr. Emerson Eggerichs shares the 'single greatest secret to a successful marriage.' Psychological studies confirm it. The Bible has said it long ago. Now, Dr. Emerson Eggerichs cracks the code that makes it unclear between husband and wife. This involves understanding love and respect. Unconditional love is powerful for her as much as unconditional respect is powerful for the husband. When these needs are met, both spouses are happy. But when they're not met, things go crazy. This is the secret to marriage that only a few couples find. Author of Unveiled Wife Jennifer Smith praises the book Love & Respect and says that it "is a

phenomenal marriage tool that should be in the hands of every husband and wife." Leadership mentor Michael Hyatt highly... Raising Passionate Jesus Followers

Zondervan Candid and contemporary, this book gives you a Christian place to turn for answers to your most intimate--and embarrassing--questions. Billions of people have had sex. Far fewer have made love. In *The Good Girl's Guide to Great Sex*, author Sheila Wray

Gregoire helps women see how sexual intimacy was designed to be physically stupendous but also incredibly intimate. Whether you're about to walk down the aisle, newly married, or you've been married for decades, *The Good Girl's Guide to Great Sex* will lead you on a wonderful journey of discovery toward the amazing sex life God designed you for. With humor, research, and lots of anecdotes, author Sheila Wray Gregoire helps women see how our culture's version of sex, which concentrates on the physical above all else, makes sex shallow. God, on the other hand, intended sex to unite us physically, emotionally, and spiritually. Gregoire walks through these

three aspects of sex, showing how to make each amazing, and how to overcome the roadblocks in each area we often encounter. Drawing on survey results from over 2,000 people, she also includes lots of voices from other Good Girls, giving insight into how other women have learned to truly enjoy sex in marriage.

Thomas Nelson
Should you take the job? Quit the job? Begin a relationship? End a relationship? Move? Plant roots? How do we find God's will for life's big decisions? What if you had total freedom? Emerson Eggerichs believes there is a clear answer to finding God's will. The Bible

itself reveals the clue-- a secret hidden in plain sight. Before launching his Love & Respect marriage ministry with wife Sarah, Emerson was a senior pastor for nearly 20 years in East Lansing Michigan. Before that, Emerson and a friend ran a free counseling center called "The Open Door" in Cedar Rapids, Iowa. As Emerson navigated his career he found both he and the people he was counseling were wrestling with big decisions and knowing if that decision was really what God wanted. Immersing himself in God's word for over 30 hours a week for 19 years, he discovered simple, clear truths that set him and many others free. There is a starting point to discovering

God's Will for your next decision and for your entire life. Begin here to read stories of people in the same situations you face today. You'll be able to discover the freedom you've been searching for, and then, like Emerson, you'll help others find that freedom too.
