### **Big Shark's Valentine Surprise** Roaring Brook Press

The fifth book in A Unicorn Named Sparkle series is about finding out there's no perfect way to say "I love you." Lucy and a unicorn named Sparkle are back for another funny and sweet adventure. Valentine's Day is when you tell the people in your life how much you love them. There's no one Sparkle loves more than Lucy. He decides to make her the perfect valentine. Except, instead of hands, Sparkle has hooves. He can't write and he can't cut. So how is he going to show Lucy that he loves her best of all?

### *The Improbable Life of Paul Erdos* Kensington Books

### Mr. Goat's Valentine Sleeping Bear Press

### *The Boy Who Loved Math* Simon and Schuster

After reading in the newspaper that it's Valentine's Day, Mr. Goat sets out in search of very special gifts for his first love. But just what would a goat choose as the perfect gifts to show how he feels? Readers will be in for a surprise at Mr. Goat's nontraditional selections. From acclaimed children's author Eve Bunting comes a sweet holiday tale sure to warm hearts on Valentine's Day and every day of the year.

### ABC-CLIO

David Valentine is revered as a hero for his part in fighting to regain Earth's freedom. When a former Quisling traitor is badly wounded, he asks Valentine to find his wife, who has vanished into the darkness of the Kurian Order. With the help of old friends and new allies, Valentine traces her to a mysterious, heavily

guarded compound in Ohio. And what Valentine finds within will shake his sanity to its very core.

### **My Crazy Pet Frog** Sourcebooks, Inc.

New York Times bestselling author and artist James Dean takes us on an awesome trip with Pete the Cat as he discovers just how special Valentine's Day can be! At first, Pete thinks Valentine's Day isn't cool...until he realizes all the special cats there are in his life. Once Pete the Cat realizes how much fun Valentine's Day can be, he decides to make valentine cards for his family and friends. But what happens when he realizes he's forgotten to make a card for a very important cat?

### *A Unicorn Named Sparkle and the Perfect Valentine* Harper Collins

### *Children's English Bulgarian Picture Book (Bilingual Edition) (Bulgarian Edition), Bulgarian Book for Kids, Bulgarian Language, Valentines Day Book for Children* Sleeping Bear Press

Most people think of mathematicians as solitary, working away in isolation. And, it's true, many of them do. But Paul Erdos never followed the usual path. At the age of four, he could ask you when you were born and then calculate the number of seconds you had been alive in his head. But he didn't learn to butter his own bread until he turned twenty. Instead, he traveled around the world, from one mathematician to the next, collaborating on an astonishing number of publications. With a simple, lyrical text and richly layered illustrations, this is a beautiful introduction to the world of math and a fascinating look at the unique character

traits that made "Uncle Paul" a great man. The Boy Who Loved Math by Deborah Heiligman is a Kirkus Reviews Best Book of 2013 and a New York Times Book Review Notable Children's Book of 2013.

Lord Valentine's Castle Cartwheel Books

From the creator of Not Quite Narwhal comes the story of a young robot trying to find the meaning of "love." When a small robot named Z discovers a message in a bottle signed "Love, Beatrice," they decide to find out what "love" means. Unable to get an answer from the other robots, they leave to embark on an adventure that will lead them to Beatrice—and back home again, where love was hiding all along.

Lilly's Chocolate Heart Mr. Goat's Valentine

One day it rains hearts, and Cornelia Augusta catches them. Each heart is special in its own way, and Cornelia Augusta knows exactly who to send them to.

**Cupid Endorsed Competition Joke Book for Kids - Valentines Day Gift Idea for Kids** Simon and Schuster

A frank and often hilarious account of the baseball life from one of the game's great iconoclasts. "...the most entertaining baseball book of the year!" —Baseball Almanac From his first year in Rookie ball, when Tommy Lasorda ordered him to send a letter to the Dodgers' starting shortstop informing him that he should retire early to make way for the young phenom, to appearing in disguise in the Mets' dugout following an ejection, Bobby Valentine was a lightning rod for mischievous controversy, grabbing headlines wherever he went. Mavericks are seldom welcomed to upset the status quo, and Major League Baseball was no exception. In astonishing detail, Bobby Valentine reflects on the many remarkable moments that comprised his playing and managerial careers. From his wild times as a player in the early seventies, to his transition to coaching with the Mets after a catastrophic injury derailed his playing days; from managing the Texas Rangers in 1985, where he employed sabermetrics and witnessed the beginning of the steroid era, to his iconic stretch at Shea Stadium, when he led the Mets to the 2000 World Series

while battling a dysfunctional front office and ownership; from his beloved time in Japan managing the Chiba Lotte Marines, who won the Japan Series, to the absolute disaster of a season in Boston, where he was greeted by a toxic clubhouse and fractured organization. Readers will be intrigued by his off-the-field exploits as well, from his early years as an international ballroom dancing champion to his post-playing days where he may have invented the wrap sandwich and the modern sports bar. Valentine has consistently overcome adversity and reinvented himself, regardless of the playing field. Along the way, he shares stories and insights on memorable moments and iconic personalities, including Nolan Ryan, Ichiro Suzuki, Gary Carter, Mike Piazza, Tom Seaver, Joe Torre, George Steinbrenner, Dustin Pedroia, and David Ortiz. Valentine's Way is a riveting look back on forty years of baseball, written with a novelist's mind and a journalist's memory, and in collaboration with legendary baseball author Peter Golenbock. A once-in-a-generation book that leaves no great story untold, this is an invaluable document for anyone wondering what it's really like to play and work in the rarified world of Major League Baseball.

**Love, Splat** Barbara Miller

MY CRAZY PET FROG doesn't know what he is! Perhaps he's a secret agent or a world champion golfer. Who knows? One day to the next, he runs in circles, trying to be everything for everyone. It's not until he comes across one of his loved ones that he realizes the most important thing of all... From Scott Gordon, author of My Little Pet Dragon, A Little Book About You and Taming Your Pet Monster: An Operational Guide. ABOUT THE BOOK This book is approximately 30 pages in length, and is best

viewed in color. Descriptions of my other popular children's books are included after the main feature (an additional 5 pages).
