## **MAY EUGENE**

---

A Crimson  
Moon novel  
Graywolf Press  
Zombies first  
shuffled  
across movie

screens in  
1932 in the  
low-budget  
Hollywood film  
White Zombie  
and were  
reimagined as  
undead flesh-  
eaters in  
George A.  
Romero's The  
Night of the

Living Dead  
almost four  
decades later.  
Today,  
zombies are  
omnipresent  
in global  
popular  
culture, from  
video games  
and top-rated  
cable shows in

the United States to comic books and other visual art forms to low-budget films from Cuba and the Philippines. The zombie's ability to embody a variety of cultural anxieties—ecological disaster, social and economic collapse, political extremism—has ensured its continued relevance and legibility, and has precipitated an unprecedented deluge of

international scholarship. Zombie studies manifested across academic disciplines in the humanities but also beyond, spreading into sociology, economics, computer science, mathematics, and even epidemiology. *Zombie Theory* collects the best interdisciplinary zombie scholarship from around the world. *Essays* portray the zombie not as a

singular cultural figure or myth but show how the undead represent larger issues: the belief in an afterlife, fears of contagion and technology, the effect of capitalism and commodification, racial exclusion and oppression, dehumanization. As presented here, zombies are not simple metaphors; rather, they emerge as a critical mode for theoretical work. With its diverse disciplinary and

methodologica  
 l approaches,  
 Zombie  
 Theory thinks  
 through what  
 the walking  
 undead reveal  
 about our  
 relationships  
 to the world  
 and to each  
 other.

**Dead,  
 Undead, Or  
 Somewhere  
 in Between**  
 Simon and  
 Schuster  
 Parenting is  
 difficult under  
 the best of

circumstances —but extremely daunting when humanity faces cataclysmic annihilation. When the dead rise, hardship, violence and the ever-present threat of flesh-eating zombies will adversely affect parents and children alike. Depending on their age, children will have little chance of surviving a single encounter with the undead, let alone the

unending peril of the Zombie Apocalypse. The key to their survival—and thus the survival of the species—will be the caregiving they receive. Drawing on psychological theory and real-world research on developmental status, grief, trauma, mental illness, and child-rearing in stressful environments, this book critically examines factors influencing parenting, and the likely

outcomes of different caregiving techniques in the hypothetical landscape of the living dead.

### **A Queen**

### **Betsy Novel**

Harper Collins Blood is a complex tale exploring what it is to be human, and in some cases not human. This action-packed tale draws from many sources of mythos and philosophy with a touch of sci-fi. Characters range from human to dead to

undead to somewhere in between and undefined. The witty and often sharp banter is engaging. Blood is sure to entertain and it's truly unique and entwining plot is sure to engage. About the Authors Nick and Chris Dunker are brothers and partners in writing. They were raised in Norwood, just outside the city of Cincinnati. Both currently reside in this same area. The brothers were home-schooled.

They have six other siblings. All but one of these were also home-schooled by their mother.

**You Are Dead. (Sign Here Please)**

Permuted Press Supernatural superhero Rachel Morgan must counter a strange magic that could spell civil war for the Hollows in this sexy and bewitching urban fantasy adventure in acclaimed New York Times bestselling author Kim Harrison's

Hollows series. Witch and day-walking demon Rachel Morgan has managed to save the demonic ever after from shrinking, but at a high cost. Now, strange magic is attacking Cincinnati and the Hollows, causing spells to backfire or go horribly wrong, and the truce between the races, between Inderlander and human, is shattering. Rachel must stop this dark necromancy before the

undead vampire masters who keep the rest of the undead under control are lost and all-out supernatural war breaks out. Rachel knows of only weapon to ensure the peace: ancient elven wild magic, which carries its own perils. And no one know better than Rachel that no good deed goes unpunished . . .  
The New Time of Politics, Culture, and Illness Sydney University Press

This is a comprehensive overview of zombie movies in the first 11 years of the new millennium, the most dynamic and vital period yet in the history of the zombie genre. The compendium serves not only as a follow-up to its predecessor volume (The Zombie Movie Encyclopedia McFarland 2011 [2001]), which covered movies from 1932 up until the late 1990s, but also as a fresh exploration of

what uniquely defines the genre in the 2000s. In-depth entries provide critical analysis of the zombie as creature in more than 270 feature-length movies, from 28 countries and filmed on six continents. An appendix offers shorter entries for more than 100 shorts and serials. Dead Ever After Vintage This powerful story is both gripping and beautifully crafted, rich with mythology - perfect for fans of Sarah

has ever known, her focus shifts from severing the debt between the demon that wants to kill her, to exacting a revenge that will bring forth consequences she never could have fathomed. By reaching out to the darkness lingering within her, she'll find the strength to push forward despite the circumstances that would see her dead and buried. After all, when it's all said and done, all that

she has left to lose is her soul.\*\*Warning. Contains coarse language, sexual situations, violence. For mature audiences only.\*\*  
**Animal Death** Simon and Schuster Life has become "Zombified." The air itself carries death or worse. A few hardy, starving souls band together to try to make sense of Life's new rulebook while holding on to what little "humanity" they have left.

Husk: A Tale of Human Hunger is a book that examines Lives incomprehensible, insatiable and cannibalistic need to consume life. Set in the oddest zombie apocalypse imaginable, it follows the paths of several starving characters, all precariously balanced between lack and plenty, in their never ending search for more food. After the reader is finished with this story,

they may have to ask themselves an uncomfortable question: Am I alive, dead . . . or neither? Husk: A Tale of Human Hunger is the first book in a trilogy. The second book will take the story in a whole new direction, resolving many of the conflicts left open in Husk. Expect the second book sometime in the summer...if the world survives! Husk: A Tale of Human Hunger deals with mature

subject matter, has strong language and is intended for a mature audience. The main theme of the novel is the overriding emptiness in all people (for food, stuff, power, love, you name it) which is never questioned and can seemingly never be filled. The trilogy hopes to expose the alternative. Like an unexpected olive pit on unsuspecting martini-teeth, Husk is intended to unsettle, both

with its subject matter and style. The author hopes you enjoy the zombie apocalypse and disease he has constructed. He also hopes you appreciate the pre-existing human condition that puts anything the zombies could hope to accomplish to shame. [www.huskbook.com](http://www.huskbook.com) Facebook/huskatale #huskbook Husk Scholastic Inc. "A fun, fast read...it will resonate with readers who

dabble in any sort of arts, dark or otherwise." -- NPR.org "With a singular and hilariously cutting teen voice, UNDEAD GIRL GANG is sure to be one of the most talked-about YA novels of the year." -- BookPage Veronica Mars meets The Craft when a teen girl investigates the suspicious deaths of three classmates and accidentally ends up bringing them back to life to form a

hilariously unlikely--and unwilling--vigilante girl gang. Meet teenage Wiccan Mila Flores, who truly could not care less what you think about her Doc Martens, her attitude, or her weight because she knows that, no matter what, her BFF Riley is right by her side. So when Riley and Fairmont Academy mean girls June Phelan-Park and Dayton Nesseth die under suspicious circumstances

, Mila refuses to believe everyone's explanation that her BFF was involved in a suicide pact. Instead, armed with a tube of lip gloss and an ancient grimoire, Mila does the unthinkable to uncover the truth: she brings the girls back to life. Unfortunately, Riley, June, and Dayton have no recollection of their murders. But they do have unfinished business to attend to. Now, with only

seven days until the spell wears off and the girls return to their graves, Mila must wrangle the distracted group of undead teens and work fast to discover their murderer...before the killer strikes again. Dormant Delacorte Press Dark Revelations - The Role Playing Game - Monster Manual & Book of Danger The Hodgepocalypse is not a safe place to be and this book tells you

why. Almost 300 monsters to use with your adventures. The Undead Pool Penguin In Mary's world there are simple truths. The Sisterhood always knows best. The Guardians will protect and serve. The Unconsecrated will never relent. And you must always mind the fence that surrounds the village; the fence that protects the village from the Forest of Hands and Teeth. But, slowly, Mary's

truths are failing her. She's learning things she never wanted to know about the Sisterhood and its secrets, and the Guardians and their power. And, when the fence is breached and her world is thrown into chaos, about the Unconsecrated and their relentlessness. Now, she must choose between her village and her future, between the one she loves and the one who loves her. And she must

face the truth about the Forest of Hands and Teeth. Could there be life outside a world surrounded in so much death? [STAR] "A bleak but gripping story...Poignant and powerful."- Publishers Weekly, Starred "A postapocalyptic romance of the first order, elegantly written from title to last line."-Scott Westerfeld, author of the Ugliest series and Leviathan "Intelligent, dark, and

bewitching, The Forest of Hands and Teeth transitions effortlessly between horror and beauty. Mary's world is one that readers will not soon forget."- Cassandra Clare, bestselling author of City of Bones "Opening The Forest of Hands and Teeth is like cracking Pandora's box: a blur of darkness and a precious bit of hope pour out. This is a beautifully crafted, page-turning,

powerful novel. I thoroughly enjoyed it."- Melissa Marr, bestselling author of Wicked Lovely and Ink Exchange "Dark and sexy and scary. Only one of the Unconsecrated could put this book down."-Justine Larbalestier, author of How to Ditch Your Fairy **Undead and Unpopular** U of Minnesota Press After Emma is rescued from a horde of bloodthirsty creatures, she discovers she

is the daughter of a powerful Vampire from the House Deviard. Her rescuer, Caleb, a werewolf, is sworn to protect the royal Vampireie bloodlines and nothing more but Emma will soon be forced to make a choice - vampire or werewolf.  
A Queen Betsy Novel  
 Dorrance Publishing  
 All-new in the New York Times bestselling drop-dead funny series.  
 Vampire

Queen Betsy Taylor thought she couldn't die. So what's she doing in the morgue? It could have something to do with a time- traveling trip she made, and a foe with a wicked agenda that could finally be the real death of Betsy-if she's not careful.  
**The Zombie Movie Encyclopedia , Volume 2: 2000-2010**  
 Penguin  
 Suburban housewife and vampire queen Betsy Taylor makes an alarming discovery: her

half-sister is truly the Devil's daughter, and she can't wait to raise hell.  
Undead on Arrival  
 Lulu.com  
 The New Testament records seven separate incidents of dead people returning to life through the power of God. In the midst of the current cultural fascination with undead creatures, many believers in the church are more familiar with zombies in entertainment

than with the amazing stories of new life recorded in the Bible. Undead: Revived, Resuscitated, and Reborn retells these stories in a unique style that will reach a new generation of readers and challenge them to come back from the spiritual dead. Few believers realize that many people - including six specific individuals - are raised from the dead between the Gospels and book of Acts. Undead

applies those stories to revitalize the faith of believers while leading seekers to discover the spiritual resuscitation that only comes from God through His Son. By examining each story of resuscitation, readers discover gospel truths that they can apply to their own lives in ways that will elevate hope and challenge faith. Relating to the characters in these accounts helps bring to

light areas in our lives that may need revitalization and challenge us to decide whether we will allow God to transform us. Click here to download the FREE Study Guide. **The Walking Dead Deluxe #20** Abaddon First Betsy Taylor loses her job, then she's killed in a car accident. But what really bites is that she can't seem to stay dead. And now her new friends have the ridiculous idea that Betsy is the prophesied

vampire  
queen, and  
they want her  
help in  
overthrowing  
the most  
obnoxious  
power-hungry  
vampire in  
five centuries.

Simon and  
Schuster  
Trapped in the  
Mexican  
jungle, a  
group of  
friends  
stumble upon  
a creeping  
horror unlike  
anything they  
could ever  
imagine. Two  
young couples  
are on a lazy  
Mexican  
vacation-sun-  
drenched  
days, drunken  
nights, making  
friends with  
fellow tourists.  
When the  
brother of one  
of those  
friends

disappears,  
they decide to  
venture into  
the jungle to  
look for him.  
What started  
out as a fun  
day-trip slowly  
spirals into a  
nightmare  
when they  
find an  
ancient ruins  
site . . . and  
the terrifying  
presence that  
lurks there.  
The Ripple  
Effect Penguin  
When rural  
Ohio college  
professor  
Peter Mellor  
dies in an  
automobile  
accident  
during a  
zombie  
outbreak, he  
is reborn as a  
highly  
intelligent (yet

somewhat amnesiac) member of the living dead. With society crumbling around him and violence escalating into daily life, Peter quickly learns that being a zombie isn't all fun and brains. Humans—unsympathetic, generally, to his new proclivities—try to kill him at nearly every opportunity. His old friends are loath to associate with him. And he finds himself inconveniently addicted to

the gooey stuff inside of people's heads. As if all this weren't bad enough, Peter soon learns that his automobile accident was no accident at all. Faced with the harrowing mystery of his death, Peter resolves to use his strange zombie "afterlife" to solve his own murder. Skillfully combining the genres of horror, humor, and film noir, *Zombie, Ohio* weaves an enthralling and innovative tale that any

fan of the current zombie craze is sure to relish. Followers of detective and horror fiction alike will find something to love about *Zombie, Ohio*—a tale of murder, mystery, and the walking dead.

**The Psychology of Raising Children in a Time of**

**Horror** Lulu Press, Inc  
Fresh meat!  
From a hospital of horrors to a runaway zombie train, it's an all-new onslaught of

the slaving  
undead in the  
sequel to  
Kirsty McKay's  
killer debut!  
Just when you  
think you're  
out...it's the  
morning after  
the night of  
the return of  
the living  
dead. Or  
something like  
that. After  
running/bus-  
driving/snowb  
oarding for  
her life  
alongside  
rebel Smitty,  
geeky Pete,  
and popular  
Alice, Bobby  
thought she'd  
found the  
antidote to  
the Carrot

Man Veggie  
Juice that had  
turned the  
rest of their  
classmates  
into zombies.  
When Smitty  
(mmm...nom,  
nom) got  
chomped,  
Bobby  
pumped a  
syringe full of  
it into him  
herself. But  
now Bobby's a  
prisoner in  
some hospital  
of horrors,  
with no clue  
how she got  
there. And  
Smitty is  
missing. What  
if he isn't  
cured after  
all? Bobby

knows she's  
got to find  
him, even if it  
means facing  
Scotland's  
hungry hordes  
-- plus Alice's  
buckets of  
snark -- again.  
And this time,  
zombies aren't  
the only evil  
stressing her  
out. The brain-  
dead are bad  
enough, but  
how can  
Bobby stop  
the big  
pharma  
business  
behind the  
epidemic?  
Especially  
when her own  
mom works  
for the  
company?
