Grammar Explorer 3 Cambridge University Press
 Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the second half of Student's Book, Level 1. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.

workbook 1 Cambridge University Press
 Grammar is an essential element of language learning. Yet it can be hard to teach and difficult to learn. Oxford surveyed over one thousand teachers to find out the biggest challenges facing grammar students. Elements of Success solves those challenges. Level-appropriate charts explain grammar in a clear, simple and highly visual way so that students can readily understand and review the grammar points. The charts have easy-to-understand explanations, manageable sections, and effective use of color making them accessible. Many of the grammar charts include common student errors. Grammar activities point students back to specific sections of the charts, so they know exactly where to look for help. The content is engaging, relevant, and meaningful, capturing students' interest. All the charts, activities, information and pronunciation notes use authentic, corpus-based language based on the 2-billion word Oxford English Corpus so that students learn grammar as it is most likely to be used by a native speaker. Additional Research Says notes, For Your Information notes, and Pronunciation notes throughout Elements of Success provide students with interesting, useful information. Extensive practice activities ensure students retain their learning, reducing time spent re-teaching the same grammar points. Students are given multiple ways to use the grammar so that they can not only remember it, but are able to apply it. All the grammar practice activities can be adapted to the unique needs of the students and of the classroom. Think about It, Write about It and Talk about It activities are flexible, open-ended activities which integrate listening, speaking, reading, and writing skills, and engaging topic-based activities put grammar in context. Four-skills practice and critical thinking empower students to use language creatively and develop comprehensive language abilities. Elements of

Success also allows students to practise anytime, anywhere through Elements Online Practice Plus. This easy-to-use site, designed specifically for English Language learners, provides students with all new practice activities and interactive games. Automatic feedback not only gives the right answers but explains why the answers are correct. The integrated discussion board and email tools allow students to communicate with one another. The Online Practice site includes the grammar charts, audio downloads of all the student book audio, and progress reports to show what students have mastered and what they still need help with. The comprehensive teacher's resources for Elements of Success include an easy-to-use learning management system which allows teachers to monitor their students' performance and communicate with their students online. Teachers can download all the resources, including student book answer keys, teaching notes, class audio, and audio scripts. Tests are available in a variety of formats to suit every classroom's unique needs. Teachers can assign automatically-scored online tests or download print-and-go tests or customizable tests. Elements iTools Online enriches students' learning experience and reduces teachers' lesson planning time. Student book on screen engages students with "heads up" instruction, and pop-up photos illustrate grammar points in context and support instruction. On-screen expansion activities promote classroom engagement. Also included are general teaching notes to guide instruction, audio at point of use, extra audio, additional grammar presentations, and links taking you directly to Online Practice.

Grammar and Beyond Level 1 Workbook B Cambridge University Press
 Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing.

Grammar and Beyond Level 3 Student's Book Cambridge University Press
 Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. The Grammar and Beyond Teacher Support Resource Book with CD-ROM, Level 1, provides suggestions for applying the target grammar to all four major skill areas, helping instructors facilitate dynamic and comprehensive grammar classes; an answer key and audio script for the Student's Book; a CD-ROM containing ready-made, easily scored Unit Tests, as well as 33 PowerPoint® presentations to streamline lesson preparation and encourage lively heads-up interaction.

A Grammar and Workbook Cambridge University Press
 The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL

students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

Grammar and Beyond Level 3 Workbook A Darakwon

This book is the culmination of educational know-how and systematic grammar organization acquired by the three authors from their experience actually teaching Korean to foreigners in the classroom. In focusing strictly on Korean grammar, this series represents a departure from most current integrated teaching materials, allowing foreign learners to more easily concentrate on grammar in their study of Korean. The authors have included real dialogues and illustrations to make the study of Korean more interesting, especially for those students who have heretofore felt Korean grammar to be difficult. Further, this series equally serves as a general Korean grammar reference that can be used by Korean language instructors both in Korea and abroad who regularly experience the difficulty of teaching Korean grammar first-hand. MP3(CD) www.darakwon.co.kr Contents Preface How to Use This Book Table of Contents ■ Introduction to the Korean Language 1. Korean Sentence Structure 2. Conjugation of Verbs and Adjectives 3. In the Workbook, learners gain additional practice in the grammar from the Student's Book, including practice correcting common learner errors.

Grammar and Beyond Level 1 Workbook A Cengage Learning

Swahili Grammar and Workbook provides a practical and comprehensive companion to Swahili grammar, filling in gaps left by other textbooks. Presenting the essentials of Swahili grammar in a highly accessible fashion, it reduces complex language topics to helpful rules and mnemonic aids, enabling maximum grammar retention and accurate usage. Grammar points are followed by multiple examples and exercises, allowing students to consolidate and practice their learning. No prior knowledge of linguistic terminology is required. Key features include: Twenty five language notes covering key topics such as: personal pronouns; the Swahili noun class system; special class combinations; the imperative, the subjunctive, and the conditional moods; the use of comparatives; the use of monosyllabic verbs; the passive form and various other forms of verb extensions; the relative clause Clear, detailed and jargon-free grammatical explanations supported by an assortment of helpful diagrams, charts and tables and many relevant and up-to-date examples A wide range of communication-oriented exercises to reinforce learning and develop students' ability to use Swahili actively Audio files to support pronunciation practice, clearly linked to relevant sections of the book and available for free download at <http://www.routledge.com/books/details/9781138808263/> Four appendices, Swahili-English and English-Swahili vocabulary lists, a bibliography and an index presented at the back of the book for easy access to information. Written by a highly experienced instructor, Swahili Grammar and Workbook will be an essential resource for all students and teachers of Swahili. It is suitable for use both as a companion reference text in language courses and as a standalone text in independent grammar classes.

Grammar and Beyond Level 1 Teacher Support Resource Book with CD-ROM Cengage Learning

This Greek grammar text integrates the technical requirements for proper Greek interpretation with the actual interests and needs of Bible Students. It is the first textbook to systematically link syntax and exegesis of the New Testament for second-year Greek students.
