 Cost Accounting Master Budget SolutionsResponsibility  
 accounting measures the plans, budgets, actions, and results of  
 each responsibility center. Four types of responsibility centers  
 are: 1. Cost center, in which the manager is responsible for costs  
 only. The accounting department would be accounted for as a  
 cost center. 2.Chapter 6: THE MASTER BUDGETWhen cost  
 accounting, a static budget (also referred to as a master budget)  
 is a summary of operating and financial plans. After the budget is  
 created, it doesn't change with the level of activity (sales,  
 production) in your business. A static budget is the starting point  
 for determining a reasonable profit for your business. But
