...Case study
one:
quantitative
research. In
this article, Dr
Matthew
Blackett
discusses his
approach to
research using
quantitative
methods. View
transcript.

11.8. Hi, my
name is
Matthew
Blackett and I
am a reader
here at
Coventry
University in
Geography
and Natural
Hazards. Case
study one:
quantitative
research The
author posits
that the
inherited
English
language by
the children of
Singapore is
varied and far
from standard
one. The
history of the
content shows
that
Singaporeans
as a
community
comprising of
mixed races in

which learning of English language enable instructors of the various subject to use more than one language in their profession but those other subject other than English hardly help ...Quantitative Research Design Case Study TemplateQuantitative research is the generation of statistics by the use of large scale survey research. The methods that are used in quantitative research are	structured interviews and questionnaires .
