The Life and Legend of James Dean Plume

"UNICEF thought that with my mother they would get a pretty princess to show up at galas. What they really got was a badass soldier." &- Luca Dotti, Audrey Hepburn's son
 Warrior: Audrey Hepburn completes the story arc of Robert Matzen's Dutch Girl: Audrey Hepburn and World War II. Hepburn's experiences in wartime, including the murder of family members, her survival through combat and starvation conditions, and work on behalf of the Dutch Resistance, gave her the determination to become a humanitarian for UNICEF and the fearlessness to charge into war-torn countries in the Third World on behalf of children and their mothers in desperate need. She set the standard for celebrity humanitarians and--according to her son Luca Dotti--ultimately gave her life for the causes she espoused.

Why We Write about Ourselves Harper Collins

Acclaimed biographer Donald Spoto strips away the legends from the life of Francis of Assisi to reveal the true story of a man who

has too often been obscured by pious iconography. Drawing on unprecedented access to unexplored archives, plus Francis's own letters, Spoto places Francis within the context of the multifaceted ecclesiastical, political, and social forces of medieval Italy, casting new light on Francis and showing how his emphasis on charity as the heart of the Gospel's message helped him pioneer a new social movement. This nuanced portrait reveals the multifaceted character of a man who can genuinely be said to have changed the course of history.

Here for the first time is the complete, captivating story of an on-set romance that turned into a lifelong love story between silver screen legends Audrey Hepburn and William Holden. In 1954, Hepburn and Holden were America's sweethearts. Both won Oscars that year and together they filmed *Sabrina*, a now-iconic film that continues to inspire the worlds of film and fashion. *Audrey & Bill* tells the stories of both stars, from before they met to their electrifying first encounter when they began making *Sabrina*. The love affair that sparked on-set was relatively short-lived, but was a turning point in the lives of both stars. *Audrey & Bill* follows both Hepburn and Holden as their lives crisscrossed through to the end, providing an inside look at the Hollywood of the 1950s, '60s, and beyond. Through in-depth research and interviews with former friends, co-stars, and studio workers, *Audrey & Bill* author Edward Z. Epstein sheds new light on the stars and the fascinating times in which they lived.

The first major Katharine Hepburn biography independent of her control reveals the smart, complicated, and sophisticated woman behind the image Onscreen she played society girls, Spencer Tracy's sidekick, lionesses in winter. But the best character Katharine Hepburn ever created was Katharine Hepburn: a Connecticut Yankee, outspoken and elegant, she wore pants whatever the occasion and bristled at Hollywood glitter. So captivating was her image that she never seemed less than authentic. But how well did we know her, really? Was there a woman behind the image who was more human, more driven, and ultimately more triumphant because of her vulnerability? William J. Mann—a cultural historian and journalist, a sympathetic admirer but no mere fan—has fashioned an intimate, often revisionist, and truly unique close-up that challenges much of what we think we know about the Great Kate. Previous biographies—mostly products of friends and fans—have recycled the stories she hid behind, taking Hollywood myths at face value. Mann goes deeper, delivering new details from friends and family

who have not been previously interviewed and drawing on materials only available since Hepburn's death. With affection, intelligence, and a voluminous knowledge of Hollywood history, Mann shows us how a woman originally considered too special and controversial for fame learned the fine arts of movie stardom and transformed herself into an icon as durable and all-American as the Statue of Liberty.

Twenty-five years after her passing, Audrey Hepburn remains the most beloved of all Hollywood stars, known as much for her role as UNICEF ambassador as for films like *Roman Holiday* and *Breakfast at Tiffany's*. Several biographies have chronicled her stardom, but none has covered her intense experiences through five years of Nazi occupation in the Netherlands. According to her son, Luca Dotti, "The war made my mother who she was." Audrey Hepburn's war included participation in the Dutch Resistance, working as a doctor's assistant during the "Bridge Too Far" battle of Arnhem, the brutal execution of her uncle, and the ordeal of the Hunger Winter of 1944. She also had to contend with the fact that her father was a Nazi agent and her mother was pro-Nazi for the first two years of the occupation. But the war years also brought triumphs as Audrey became Arnhem's most famous young ballerina. Audrey's own reminiscences, new interviews with people who knew her in the war, wartime diaries, and research in classified Dutch archives shed light on the riveting, untold story of Audrey Hepburn under fire in World War II. Also included is a section of color and black-and-white photos. Many of these images are from Audrey's personal collection and are published here for the first time.

"A sumptuous book which will delight idolaters of high fashion and movie stardom." —Times Literary Supplement Audrey Hepburn is a sumptuous celebration of Hepburn as a beloved fashion icon and actress. Karney tells the story of Hepburn's life, from her childhood in Nazi-occupied Holland, through her early aspirations to become a ballet dancer, the instant and universal acclaim of her onscreen debut and her years as one of Hollywood's most sought-after stars, to her later life working among the poorest children of the Third World. Karney's book gives fans a rare view into the life of a beloved star. Hepburn's acting career began after a series of minor revue and film roles in London. Hepburn was spotted by the writer Colette, who immediately cast her in the central role of a Broadway adaptation of her story, *Gigi*. Soon afterwards, Hepburn was offered a role alongside Gregory Peck in *Roman Holiday*, for which she collected an Oscar for Best Actress. The book highlights all her success that followed: she won the Tony Award for Best Actress for *Ondine*, captivated audiences as Natasha in *War and Peace*, and was highly praised for her brilliance in a serious role in *The Nun's Story*. Hepburn's style was perfection, and her clothes—many of them designed by Givenchy, who dressed her for *Funny Face* in 1957—placed her on the world's Best-Dressed Women list for several consecutive years. Her personality and sensuous yet untouchable beauty made her irresistible to the public. On Hepburn's death, Liz Taylor said, "God has a most beautiful new angel now that will know just what to do in heaven." Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Audrey Hepburn, An Elegant Spirit Hachette UK

Before *Breakfast at Tiffany's* Audrey Hepburn was still a little-known actress with few film roles to speak of; after it – indeed, because of it – she was one of the world's most famous fashion,

style and screen icons. It was this film that matched her with Hubert de Givenchy's "little black dress". Meanwhile, Truman Capote's original novel is itself a modern classic selling huge numbers every year, and its high-living author of perennial interest. Now, this little book tells the story of how it all happened: how Audrey got the role (for which at first she wasn't considered, and which she at first didn't want); how long it took to get the script right; how it made Blake Edwards' name as a director after too many trashy films had failed to; and how Henry Mancini's soundtrack with its memorable signature tune 'Moon River' completed the irresistible package. This is the story of how one shy, uncertain, inexperienced young actress was persuaded to take on a role she at first thought too hard-edged and amoral – and how it made Audrey Hepburn into gamine, elusive Holly Golightly in the little black dress – and a star for the rest of her life.

Joseph Epstein takes on that most enchanting (and, alas, increasingly rare) of human gifts, charm. "Almost everyone will recognize when he or she is in the presence of charm," he writes. "Charm is magic of a kind; it casts a spell. In the presence of charm the world seems lighter and lovelier. A charming person can cause you to forget your problems, at least temporarily, to hold the world's dreariness at bay. Charm is a reminder that the world is filled with jolly prospects and delightful possibilities. Watching Fred Astaire dance, or listening to Blossom Dearie sing, or reading the poems of C.P. Cavafy, or merely looking at Rita Hayworth or Ava Gardner, one recalls that the world can be a pretty damn fine place."
