Examining Speaking
Cambridge University Press

El presente libro es el segundo de una serie de tres volúmenes que aborda los aspectos más importantes en la didáctica del Inglés como Lengua extranjera para los estudiantes de educación secundaria. Los ocho capítulos de este libro exploran diferentes aspectos de la práctica en el aula: la implementación del currículo; la elección de los materiales de clase; la enseñanza de la gramática, la pronunciación y el vocabulario; el

desarrollo de las habilidades instrumentales (listening, speaking, reading y writing); el uso y el aprovechamiento más adecuado de la alfabetización digital; y la gestión eficaz del aula. Cada capítulo incluye tareas para consolidar la información, así como actividades de evaluación más exhaustivas. This book is Volume II in a three volume series addressing the main issues concerning the teaching of English as a Foreign language to secondary school pupils. The eight chapters in this book address different aspects of classroom practice, including implementing a curriculum; choosing classroom materials;

working with vocabulary, grammar and pronunciation; developing instrumental skills (listening, speaking, reading and writing); using and exploiting digital literacy and effective classroom management. Each chapter includes tasks for consolidating the information and more extensive assessment tasks. Temas centrales: Table of contents. Introduction. Transforming the Curriculum into Activities and Work for the Classroom. Choosing and Developing Classroom Material. Digital Literacies and the Language Classroom. Developing Productive and Receptive Skills in the Classroom. Vocabulary Instruction in Secondary Schools.

Getting Students Interested in Pronunciation: an Interview with Paul Seligson. *Effective Grammar Teaching*. Classroom Management. *Cambridge Movers 3 Answer Booklet* Cambridge University Press

Cambridge English for Schools Practice Tests have been designed to familiarise students with the level and format of the Cambridge English Key, Preliminary and First (previously known as KET, PET and FCE) for Schools examinations. Students can be assured that they will receive the relevant, up-to-date, appropriate training to successfully undertake these tests. The guidance and tips sections advise

students on how to approach each part of the examination and allow them to improve the skills required.

Cambridge Starters 3 Student's Book

Cambridge University Press

This volume examines the nature of second language listening proficiency and how it can be assessed. The book highlights the need for test developers to provide a clear explication of the ability constructs which underpin the tests they offer in the public domain. This is increasingly necessary if claims about the validity of test score interpretation and use are to be supported both logically and with empirical evidence. It operationalises a comprehensive test validation framework

which adopts a socio-cognitive perspective. The framework embraces six core components, examining and then analysing Cambridge ESOL listening tasks from the following perspectives: Test Taker; Cognitive Validity; Context Validity; Scoring Validity; Criterion-related Validity; and Consequential Validity.
