One of the greatest challenges facing mankind today is the need to find a faith that will serve modern man and his problems. The lack of such a faith could explain why so many people are becoming drop-outs from Christianity. Eric Butterworth's book is a result of the author's personal search for a practical day-to-day Christianity. The greatest discovery of all time, he says in *The Power Within*, was that made by Jesus of the divine dimension in every human being. Christianity, says the author, has emphasised the divinity of Jesus, but

Jesus Himself taught the divinity of man. His most vital mission on earth was to help man discover this. The entire Gospel message deals with techniques for unfolding this divine potential, and Eric Butterworth's book, in its close relationship to the teaching of Jesus, is thus a valuable self-help book for modern men and women who are seeking a truly full way of life. Like Emmet Fox, the author asks, 'What did Jesus really teach?', and the direct and simple answers he presents should bring great comfort to many who have forgotten even to ask the question.

A spiritual thought-leader and featured guest on Oprah's SuperSoul Sunday helps us learn to quiet fear and anxiety and discover the powerful wholeness that exists within us all in this inspiring and affirmative guide. Achieving equilibrium in today's age of anxiety can seem like a near-impossible—even frivolous—task. Panache Desai offers a refreshing, surprisingly unusual approach to meet the challenges of the modern moment and heal the fractured self it produces. For Desai, the

soul—whole, unbroken, at peace, and one with the life source—isn't a destination. It already exists within each of us, just waiting to be revealed. It is not something we have to work to develop—it is our birthright. And when we are in union with our soul, we experience a personal evolution that not only illuminates our individual cosmic purpose but helps us to engage the sense of purpose and presence necessary to remake the world itself. You Are Enough offers a straightforward, non-judgmental, and approachable process of revealing the soul, of coming into alignment and harmony with our true selves. Combining personal narrative, clear and inspiring philosophy, and prescriptive practices, it reveals that the way through is the way in—that the way through fear, self-doubt, and anxiety is accepting and embracing dissonance and emotional and psychological blockages, so that we can approach our lives and the world from a perspective that understands our fears are not who we are. Desai's goal is simple: to guide readers through radical self-acceptance toward a

life of ultimate peace and fulfillment. Beautifully designed, this enlightening volume by a fresh voice shows us that while life may have caused us to forget our power, potential, light, and love, they are always there, just waiting to be discovered.

Amoral, cunning, ruthless,  
and instructive, this multi-  
million-copy New York  
Times bestseller is the  
definitive manual for  
anyone interested in  
gaining, observing, or  
defending against  
ultimate control – from  
the author of *The Laws of  
Human Nature*. In the  
book that People

magazine proclaimed  
“beguiling” and  
“fascinating,” Robert  
Greene and Joost Elffers  
have distilled three  
thousand years of the  
history of power into 48  
essential laws by drawing  
from the philosophies of  
Machiavelli, Sun Tzu, and  
Carl Von Clausewitz and  
also from the lives of  
figures ranging from  
Henry Kissinger to P.T.  
Barnum. Some laws teach  
the need for prudence  
(“Law 1: Never Outshine  
the Master”), others teach  
the value of confidence  
(“Law 28: Enter Action  
with Boldness”), and  
many recommend  
absolute self-preservation  
(“Law 15: Crush Your

law, though, has one thing  
in common: an interest in  
total domination. In a bold

*TNT: The Power Within You* Harper Collins

Nationally known pastor, Bill Winston brings this powerful message of God's provision, healing, and more that is already resident in the believer and available to those who will seek God's direction. If the Kingdom of God is in us, why aren't we living lives of greatness in our world? Bill Winston recognizes that there are two kingdoms at work in this world, and tragically, even within the church, the majority of people are still living under the destructive lies and patterns of Satan's rule. They don't have the power and provisions of

God - wisdom, understanding, peace, joy, health, abundant material provision, life-changing ministry, and so much more - because they simply have not recognized the kingdom in them. The promises of God rarely come from some outside sovereign work of God, but from the kingdom already inside. The pastor of one of America's fastest growing churches, Winston helps believers to start walking their faith out in miraculous ways. Why? We have a power within us that is supernatural and flies in the face of the world's arrogant - but ultimately inadequate - self-reliance on human understanding and effort. With the faith of a child, even as small as a mustard seed, we unleash God's provision and power in our lives not by focusing on what we want, but by asking what the King of the Kingdom, God Almighty, wants us to accomplish. We quickly discover that our "grand dreams" and aspirations are miniscule in light of the greatness He has in store for us to do. This book is not for Christians who are complacent and desire the status quo. This is a soul-changing book that will turn the timid

into the bold, and result in miracles that will build God's Kingdom right here and right now.
