Wood Pallets Createspace Independent Publishing Platform
Wooden shipping pallets have found an unlikely second life: beautiful, handcrafted home décor without the designer price. The DIY market has long been drawn to refurbishing furniture and interior design on a budget, but easily accessible wood pallets have opened up all-new and inspiring ways to personalize a home in an eco-friendly, low-cost way. Until recently, upcycling required crafters to hunt for goods and furniture at yard sales and online, and many refurbishing books could only offer tips for specific pieces. With wooden pallets, the scope of the project is

boundless, and warehouses and stores are happy to give them away for free. What was once a scavenger hunt and test of skill for experienced DIYers can now be an easy weekend project for even the newest of crafters. *Wood Pallet Workshop* will be a book of inspiration as well as a hardworking instructional guide for an array of projects. With 20 easy-to-follow designs ranging from coffee tables and wine racks to decorative wall art and step-by-step photos, this book will be a go-to instructional guide for DIYers looking for simple and creative ways to decorate their homes.
