COLON DILLON

A Novel Simon and Schuster

Growing up in Louisiana in the late 1960s, where segregation and prejudice still thrive, two high school football players, one white, one black, become friends, but some changes are too difficult to accept.

The Catcher in the Rye Farrar, Straus and Giroux

T. S. Eliot's playful cat poems were originally composed for his godchildren, with Eliot posing as Old Possum himself, and later inspired the legendary musical "Cats." Now with vibrant illustrations by the award-winning Axel Scheffler.

Find Me Faber & Faber

Essays on memory by the author of *Our of Egypt* "We remember not because we have something we wish to go back to, nor because memories are all we have. We remember because memory is our most intimate, most familiar gesture. Most people are convinced I love Alexandria. In truth, I love remembering Alexandria. For it is not Alexandria that is beautiful. Remembering is beautiful." Celebrated as one of the most poignant stylists of his generation, André Aciman has written a witty, surprising series of linked essays that ponder the experience of loss, moving from his forced departure from Alexandria as a teenager, through his brief stay in Europe, and finally to the home he's made (and half invented) on Manhattan's Upper West Side.

Lie With Me Ballantine Books

Available in English for the first time—the internationally bestselling graphic novel and an Official Selection at France's prestigious Angoulême Internationaional Comics Festival by master illustrator-storyteller Chabouté (Park Bench, Moby-Dick). On a tiny lighthouse island far from the rest of the world, a lonely hermit lives out his existence. Every week a supply boat leaves provisions, its occupants never meeting him, never asking the obvious questions: Who are you? Why do you hide? Why do you never leave? What is it like to be so alone? Years spent on a deserted rock—a lifetime, really—with imagination his sole companion has made the lighthouse keeper something more than alone, something else entirely. For him, what lies beyond the horizon might be...nothing. And so, why not stay put? But one day, as a new boatman starts asking the questions all others have avoided, a chain of events unfolds that will irrevocably upend the hermit's solitary life.... Filled with stunning and richly executed black-and-white illustrations, *Alone* is Chabouté's masterpiece—an unforgettable tale where tenderness, despair, and humor intertwine to flawlessly portray how someone can be an everyman, and every man is someone. Translated from the French by Ivanka Hahnenberger.

A Novel Call Me by Your NameA Novel

A young alchemist turns to dark magic when a deadly plague sweeps through her homeland, in this epic fantasy from New York Times bestselling author Beth Revis. Seventeen-year-old Nedra Brysstain leaves her home in the rural northern territories of Lunar Island to attend the prestigious Yugen Academy with only one goal in mind: master the trade of medicinal alchemy. A scholarship student matriculating with the children of Lunar Island's wealthiest and most powerful families, Nedra doesn't quite fit in with the other kids at Yugen. Until she meets Greggori "Grey" Astor. Grey is immediately taken by the brilliant and stubborn Nedra, who he notices is especially invested in her studies. And that's for a good reason: a deadly plague has been sweeping through the north, and it's making its way toward the cities. With her family's lives—and the lives of all of Lunar Island's citizens—on the line, Nedra is determined to find a cure for the plague. Grey and Nedra grow close, but as the sickness spreads and the body count rises, Nedra becomes desperate to find a cure. Soon, she finds herself diving into alchemy's most dangerous corners—and when she turns to the most forbidden practice of all, necromancy, even Grey might not be able to pull her from the darkness.

Essays on Elsewhere Farrar Straus & Giroux

From Edgar-Award nominee Elle Cosimano, comes Finlay Donovan Knocks 'Em Dead—the hilarious and heart-pounding follow-up to Finlay Donovan is Killing It. "A funny and smart, twisty and surprising series."—Megan Miranda Finlay Donovan is—once again—struggling to finish her next novel and keep her head above water as a single mother of two. On the bright side, she has her live-in nanny and confidant Vero to rely on, and the only dead body she's dealt with lately is that of her daughter's pet goldfish. On the not-so-bright side, someone out there wants her ex-husband, Steven, out of the picture. Permanently. Whatever else Steven may be, he's a good father, but saving him will send her down a rabbit hole of hit-women disguised as soccer moms, and a little bit more involvement with the Russian mob than she'd like. Meanwhile, Vero's keeping secrets, and Detective Nick Anthony seems determined to get back into her life. He may be a hot cop, but Finlay's first priority is preventing her family from sleeping with the fishes... and if that means bending a few laws then so be it. With her next book's deadline looming and an ex-husband to keep alive, Finlay is quickly coming to the end of her rope. She can only hope there isn't a noose at the end of it...

The Light of New York Farrar, Straus and Giroux

Call Me by Your Name is the story of a sudden and powerful romance that blossoms between an adolescent boy and a summer guest at his parents' cliff-side mansion on the Italian Riviera. Unprepared for the consequences of their attraction, at first each feigns indifference. But during the restless summer

weeks that follow, unrelenting buried currents of obsession and fear, fascination and desire, intensify their passion as they test the charged ground between them. What grows from the depths of their spirits is a romance of scarcely six weeks' duration and an experience that marks them for a lifetime. For what the two discover on the Riviera and during a sultry evening in Rome is the one thing both already fear they may never truly find again: total intimacy. The psychological maneuvers that accompany attraction have seldom been more shrewdly captured than in André Aciman's frank, unsentimental, heartrending elegy to human passion. Call Me by Your Name is clear-eyed, bare-knuckled, and ultimately unforgettable.

A novel Courier Dover Publications

A passionate portrait of love's contradictory power, in five illuminating stories Andre Aciman, who has been called "the most exciting new fiction writer of the twenty-first century" (New York Magazine), has written a novel in *Enigma Variations* that charts the life of Paul whose loves remain as consuming and covetous throughout adulthood as they were in adolescence. Whether in southern Italy, where as a boy he has a crush on his parents' cabinet maker, or on a snowbound campus in New England, where his enduring passion for a girl he'll meet again and again over the years is punctuated by anonymous encounters with men; on a tennis court in Central Park, or a sidewalk in early spring New York, his attachments are ungraspable, transient and forever underwritten by raw desire—not for just one person's body but, inevitably, for someone else's as well. In mapping the most inscrutable corners of desire, Aciman proves to be an unsparing reader of the human psyche and a master stylist of contemporary literature. With language at once lyrical, bare-knuckled, and unabashedly candid, he casts a sensuous, shimmering light over each facet of desire to probe how we ache, want, and waver, and ultimately how we sometimes falter and let go of those who may want only to offer what we crave from them. Behind every step the hero takes, his hopes, denials, fears, and regrets are always ready to lay their traps. Yet the dream of love always casts its luminous halo. We may not always know what we want. We may remain enigmas to ourselves and others. But sooner or later we discover who we've always known we were.

Cloudy with a Chance of Meatballs Farrar, Straus and Giroux David Beck has rebuilt his life since his wife's murder eight years ago, finishing medical school and establishing himself as a pediatrician, but he's never forgotten the woman he fell in love with in second grade. And when a mysterious e-mail arrives on the anniversary of their first kiss, with a message and an image that leads him to wonder whether Elizabeth might still be alive, Beck will stop at nothing to find the truth that's eluded him for so many years. A powerful billionaire is equally determined to make sure his role in her disappearance never comes to light, even if it

means destroying an innocent man.

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again?

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* *On Heroes, Hero-worship, & the Heroic in History* Createspace Independent Publishing Platform

A chance encounter between two lonely women leads to a passionate romance in this lesbian cult classic. Therese, a struggling young sales clerk, and Carol, a homemaker in the midst of a bitter divorce, abandon their oppressive daily routines for the freedom of the open road, where their love can blossom. But their newly discovered bliss is shattered when Carol is forced to choose between her child and her lover. Author Patricia Highsmith is best known for her psychological thrillers *Strangers on a Train* and *The Talented Mr. Ripley*. Originally published in 1952 under a pseudonym, *The Price of Salt* was heralded as “the novel of a love society forbids.” Highsmith's sensitive treatment of fully realized characters who defy stereotypes about homosexuality marks a departure from previous lesbian pulp fiction. Erotic, eloquent, and suspenseful, this story offers an honest look at the necessity of being true to one's nature. The book is also the basis of the acclaimed 2015 film *Carol*, starring Cate Blanchett and Rooney Mara.

A LUSHLY ROMANTIC NOVEL FROM THE AUTHOR OF CALL ME BY YOUR NAME *Eight White Nights* is an unforgettable journey through that enchanted terrain where passion and fear and the sheer craving to ask for love and to show love can forever alter who we are. A man in his late twenties goes to a large Christmas party in Manhattan where a woman introduces herself with three words: “I am Clara.” Over the following seven days, they meet every evening at the same cinema. Overwhelmed yet cautious, he treads softly and won't hazard a move. The tension between them builds gradually, marked by ambivalence, hope, and distrust. As André Aciman explores their emotions with uncompromising accuracy and sensuous prose, they move both closer together and farther apart, culminating on New Year's Eve in a final scene charged with magic and the promise of renewal. *Call Me by Your Name*, Aciman's debut novel, established him as one of the finest writers of our time, an expert at the most sultry depictions of longing and desire. As *The Washington Post Book World* wrote, “The beauty of Aciman's writing and the purity of his passions should place this extraordinary first novel within the canon of great romantic love stories for everyone.” Aciman's piercing and romantic new novel is a brilliant performance from a master prose stylist.

Fandom and first love collide in in this joyful, feminist contemporary romance from acclaimed author Cori McCarthy—perfect for fans of *Rainbow Rowell* and *Ashley Poston* Iris Thorne wants to blaze her own path. That's easier said than done when you're the granddaughter of M. E. Thorne, famous author of the *Elementia* series, hailed as the feminist response to J. R. R. Tolkien's *Lord of the Rings*. And with a major motion picture adaptation of her grandmother's books in the works, Iris can say goodbye to her dream of making her own way in the music industry. When Iris and her brother get invited to the film set in Ireland, she's pretty sure the trip will be a nightmare. Except Iris can't deny the rugged beauty of the Irish countryside. And brushing shoulders with the hot, young cast isn't awful, especially the infuriatingly charming lead actor, Eamon O'Brien. Iris even finds the impassioned female director inspiring. But when the filming falls into jeopardy, everything Iris thought she knew about *Elementia*—and herself—is in question. Will making a film for the big screen help Iris to see the big picture?

[Atlas Shrugged](#) Farrar, Straus and Giroux

Imagine if food fell from the sky like rain... wouldn't it be great? Or would it? This is what happened in the tiny town of Chewandswallow. In many ways it was much the same as any other small town, except for the weather... which came three times a day, at breakfast, lunch and dinner. Sometimes it rained soup and juice, or snowed mashed potatoes, once or twice it even blew up a storm of hamburgers. Life was pretty delicious in Chewandswallow...until the weather took a turn for the worse! [How Do You Live?](#) Houghton Mifflin Harcourt

A successful art dealer confesses the story of his meteoric rise in this “sleek, swift, and graceful” novel “with unexpectedly sharp

teeth” (Lauren Groff, *New York Times* bestselling author). In a first-class lounge at JFK airport, our narrator listens as Jeff Cook, a former classmate he only vaguely remembers, shares the uncanny story of his adult life—a life that changed course years before, the moment he resuscitated a drowning man. Jeff reveals that after that traumatic, galvanizing morning on the beach, he was compelled to learn more about the man whose life he had saved, convinced that their fates were now entwined. But are we agents of our fate—or are we its pawns? Upon discovering that the man is renowned art dealer Francis Arsenault, Jeff begins to surreptitiously visit his Beverly Hills gallery. Although Francis does not seem to recognize him as the man who saved his life, he nevertheless casts his legendary eye on Jeff and sees something worthy. He takes the younger man under his wing, initiating him into his world, where knowledge, taste, and access are currency; a world where value is constantly shifting and calling into question what is real, and what matters. The paths of the two men come together and diverge in dizzying ways until the novel's staggering ending. Sly, suspenseful, and engrossing, *Mouth to Mouth* masterfully blurs the line between opportunity and exploitation, self-respect and self-delusion, fact and fiction—exposing the myriad ways we deceive each other, and ourselves.

Vintage

The award-winning, bestselling French novel by Philippe Besson—“the French *Brokeback Mountain*” (Elle)—about an affair between two teenage boys in 1984 France, translated with subtle beauty and haunting lyricism by the iconic and internationally acclaimed actress/writer Molly Ringwald. We drive at high speed along back roads, through woods, vineyards, and oat fields. The bike smells like gasoline and makes a lot of noise, and sometimes I'm frightened when the wheels slip on the gravel on the dirt road, but the only thing that matters is that I'm holding on to him, that I'm holding on to him outside. Just outside a hotel in Bordeaux, Philippe chances upon a young man who bears a striking resemblance to his first love. What follows is a look back at the relationship he's never forgotten, a hidden affair with a gorgeous boy named Thomas during their last year of high school. Without ever acknowledging they know each other in the halls, they steal time to meet in secret, carrying on a passionate, world-altering affair. Dazzlingly rendered in English by Ringwald in her first-ever translation, Besson's powerfully moving coming-of-age story captures the eroticism and tenderness of first love—and the heartbreaking passage of time.

[The Price of Salt](#) HarperCollins

A *New York Times* Bestseller In this spellbinding exploration of the varieties of love, the author of the worldwide bestseller *Call Me by Your Name* revisits its complex and beguiling characters decades after their first meeting. No novel in recent memory has spoken more movingly to contemporary readers about the nature of love than André Aciman's haunting *Call Me by Your Name*. First published in 2007, it was hailed as “a love letter, an invocation . . . an exceptionally beautiful book” (Stacey D'Erasmus, *The New York Times Book Review*). Nearly three quarters of a million copies have been sold, and the book became a much-loved, Academy Award-winning film starring Timothée Chalamet as the young Elio and Armie Hammer as Oliver, the graduate student with whom he falls in love. In *Find Me*, Aciman shows us Elio's father, Samuel, on a trip from Florence to Rome to visit Elio, who has become a gifted classical pianist. A chance encounter on the train with a beautiful young woman upends Sami's plans and changes his life forever. Elio soon moves to Paris, where he, too, has a consequential affair, while Oliver, now a New England college professor with a family, suddenly finds himself contemplating a return trip across the Atlantic. Aciman is a master of sensibility, of the intimate details and the emotional nuances that are the substance of passion. *Find Me* brings us back inside the magic circle of one of our greatest contemporary romances to ask if, in fact, true love ever dies.
