## QUINTIN ELLE

[So You Want to Be a Cop](#) National Geographic Books

In this New York Times bestseller, Ijeoma Oluo offers a hard-hitting but user-friendly examination of race in America. Widespread reporting on aspects of white supremacy -- from police brutality to the mass incarceration of Black Americans -- has put a media spotlight on racism in our society. Still, it is a difficult subject to talk about. How do you tell your roommate her jokes are racist? Why did your sister-in-law take umbrage when you asked to touch her hair -- and how do you make it right? How do you explain white privilege to your white, privileged friend? In *So You Want to Talk About Race*, Ijeoma Oluo guides readers of all races through subjects ranging from intersectionality and affirmative action to "model minorities" in an attempt to make the seemingly impossible possible: honest conversations about race and racism, and how they infect almost every aspect of American life. "Oluo gives us -- both white people and people of color -- that language to engage in clear, constructive, and confident dialogue with each other about how to deal with racial prejudices and biases." -- National Book Review "Generous and empathetic, yet usefully blunt . . . it's for anyone who wants to be smarter and more empathetic about matters of race and engage in more productive anti-racist action." -- Salon (Required Reading)

[So, You Want to Be a Comic Book Artist?](#) Simon and Schuster  
Essential reading for any aspiring actor.

[So You Want to Be a Producer](#) Australian Writers' Centre Publishing

A comprehensive guide to landing one's dream job in fashion and design profiles industry career opportunities, from clothing design and fashion photography to models and colorists, sharing inspiring true stories, activity suggestions and a list of helpful resources. Simultaneous.

**So, You Want to Be a Leader?** Oxford University Press

*So You Want to Be a Teacher?* should be read by anyone considering teaching. Its vignettes are insightful and the questions asked will help readers answer the questions "Do I want to be a teacher?" and, if so, "How do I become one?"

**So You Want to Be a Dentist?** Lulu Publishing Services

Many children, from the time they are old enough to be attracted to a siren and flashing lights, dream their whole lives of becoming a police officer. As a retired police officer, herself, Alley Evola looks at the daily ins and outs of the job of a police officer. From recruitment, life at the academy, patrol and eventually promotion, she provides a helpful understanding of what you can really expect. She also looks at the current issues, including race and gender, and how these have shaped certain expectations from the public that a police officer needs to be prepared for when working in this field. When you're young and dreaming you don't think about the process it will take to become a police officer. And it's also not evident until after the police academy the many challenges and issues you will face in the field. *So You Want to Be a Cop* is for everyone who secretly wishes they were a police officer, or is pursuing their dream in hopes of transforming it into reality.

[So You Want to Be a Neuroscientist?](#) Crown Archetype

Presents an assortment of facts about the qualifications and characteristics of U.S. presidents, from George Washington to Bill Clinton.

**So You Want to Publish a Book?** Harper Collins

There are a myriad of ways kids today can not only grow up to become the leaders of tomorrow but start leading right now. Covering everything from well known professions like school superintendent, and working in government, to the not-so-well-known professions like becoming an entertainment leader or spiritual advisor, Wooster uncovers a treasure trove of opportunity for kids to assert themselves now and in the future.

**So You Want to Write a Novel** Dyojo

The pursuit to understand the human brain in all its intricacy is a fascinatingly complex challenge and neuroscience is one of the fastest-growing scientific fields worldwide. There is a wide range of career options open to those who wish to pursue a career in neuroscience, yet there are few resources that provide students with inside advice on how to go about it. *So You Want to Be a Neuroscientist?* is a contemporary and engaging guide for aspiring neuroscientists of diverse backgrounds and interests. Fresh with the experience of having recently launched her own career, Ashley Juavinett provides a candid look at the field, offering practical guidance that explores everything from programming to personal stories. Juavinett begins with a look at the field and its history, exploring our evolving understanding of how the brain works. She then tackles the nitty-gritty: how to apply to a PhD program, the daily life of a graduate student, the art of finding mentors and collaborators, and what to expect when working in a lab. Finally, she introduces readers to diverse young scientists whose career paths illustrate what you can do with a neuroscience degree. For anyone intrigued by the brain or seeking advice on how to further their ambitions of studying it, *So You Want to Be a Neuroscientist?* is a practical and timely overview of how to learn and thrive in this exciting field.

**So You Want to be a Theatre Director?** Cambridge University Press

Acclaimed, New York Times best-selling author Adam Gidwitz delivers a captivating retelling of *Star Wars: The Empire Strikes Back* like you've never experienced before, infusing the iconic, classic tale of good versus evil with a unique perspective and narrative style that will speak directly to today's young readers while enhancing the *Star Wars* experience for core fans of the saga.

[So You Want to Build a Library](#) Hal Leonard Corporation

The ultimate all-in-one guide to making your writing dreams come true! Want to publish a novel or earn an income as a writer, but not sure how to go about it? In this book, authors Allison Tait and Valerie Khoo -- co-hosts of the popular *So You Want To Be A Writer* podcast -- will give you the steps you need to make your dream a reality. This is not a book about how to write. It's a book about how to be a successful writer. Inside, you'll discover the exact skills you need to make it as a writer including how to connect with people who will help your career grow, plus productivity tips for fitting everything into your already busy life. You'll also explore how to keep your creative juices flowing and where to find other writers just like you. This book lays out a blueprint to help you get started and thrive in the world of words. With advice from over 120 writers, you'll tap into proven wisdom and find the path that will lead YOU to success! Chapter 1: Ready to be a writer? Chapter 2: Your first few steps into the world of writing Chapter 3: What kind of writer do you want to be? Chapter 4: What skills do you need? Chapter 5: Finding your tribe Chapter 6: Where to find ideas Chapter 7: Dealing with other people Chapter 8: Do you want to go on a date? Chapter 9: How to make time to write Chapter 10: How to be creative when you're tired Chapter 11: Technology is your friend Chapter 12: What do you really want? Chapter 13: Don't just take our word for it Chapter 14: So now what? *So You Want To Be A Writer* is a beginner's guide for people who want to be writers. Like all good non-fiction books, we've broken it into sections so you can dip in and out as needed or read it from start to finish. We'll walk you through each stage, from deciding what kind of writer you want to be (don't laugh, this is a big question!), where to get ideas and how to share your writing dream with other people. We'll take you through how to get the words written, finding your writing community (and why you need one), harnessing your creativity, how to use technology and the business of being a writer. You'll discover tips about the writing process, getting the first publishing deal, dealing with editors, writing the book and everything in between, by authors such as Liane Moriarty, Michael Robotham, Nick Earls, Charlotte Wood, Jane Harper, Di Morrissey, Garry Disher, Jaclyn Moriarty, Andy Griffiths, Jackie French, Veronica Roth, Jay Kristoff and more. Literary authors, commercial fiction authors, non-fiction authors, publishers, agents, crime authors, romance authors, children's authors, young adult authors, freelance writers, content writers - you name it, we've got them, Australian and international. This is a masterclass in writing and an incredible resource in itself. So what are you

waiting for? If you want to be a writer, the time to start is now!

#### **So You Want to Grow a Pizza?** Simon and Schuster

Finally, together in one place, a comprehensive step-by-step process for launching your career as a financial planner. Here is everything you need to know - from getting the right credentials to getting the right clients. Over the next few decades, billions of dollars will be changing hands as millions of Baby Boomers retire. Learn which organizations will enhance your career, and which to avoid. Discover how to navigate the regulatory jungle with usable 'how to' guidance, including specific sources to get you educated, registered and up and running a profitable business as soon as possible.

#### **So, You Want to Work in Fashion?** Perfection Learning

This book is a practical, hands-on guide to the world of journalism, particularly for the beginner. It contains step-by-step instructions on writing for the news media, and practical advice and suggestions on all facets of reporting. It covers the basic skills involved in finding information, interviewing, writing news and feature material, research and investigation, basic subbing, layout and design, the essentials of grammar, the law, and ethical and professional behaviour. The book uses numerous examples to demonstrate its points. It relies almost exclusively on the excellent work of student reporters to show what young people can achieve, despite not having the resources of large news organisations behind them. The book also highlights the efforts of some of the hundreds of students who have worked with the author over many years to produce fine examples of writing and reporting in the very best traditions of journalism.

#### **So You Want to be President?** Disney Electronic Content

"A young boy wants to grow his own pizza, learns where the many ingredients come from, and learns how to grow the ingredients to make pizza sauce. Includes kid-friendly pizza sauce recipe"-- Provided by publisher.

#### **So You Want to Be a Superintendent** Rowman & Littlefield

This book IS NOT a how-to or step-by-step guide for project management, but it does contain many of those foundational principles that I believe will help you in your quest. Whatever your goals are, the key elements that will help you get there are your mindset and habits. While your core values should be constant and should not be compromised, your mindset will need to adapt and your habits will need to evolve. Obviously, this book is influenced by my experiences and perspectives, but I think you will find encouragement and inspiration within these pages. This book is intended for:\* Construction professionals who seek to grow their career opportunities through pursuing the role of project management.\* Project managers who need some guidance to better understand leadership development and execute their position.\* Managers who are looking for some assistance in helping their team members develop in their roles and responsibilities as project managers.I like what I saw from the mediocre book. Jon puts into words things veterans of the industry should know and shortens the learning of those new to the industry. Most of us learn by on the job training with some guidance. His books provide guidance for those willing to take the next steps at raising their knowledge. - David Watts (NY) About the author: Jon Isaacson, The Intentional Restorer, is an author and host of The DYOJO Podcast. Jon speaks, writes, and coaches through his organization The DYOJO helping the start-up phase owners and growth-minded restoration professionals to shorten their DANG learning curve for personal and professional development. For over two decades Jon has been working in leadership roles with organizations in the construction, hazards abatement, and property restoration industries.This is book 3 in the Be Intentional series from The DYOJO - [thedyojo.com/book3](http://thedyojo.com/book3)

In addition to tips and interviews from many different professionals, *So, You Want to Work in Sports?* includes inspiring stories from young adults who are out there exploring different sectors, as well as games, activities, a glossary, and resources to help you on your way to a successful career in athletics.

#### Author House

So you want to be a dentist? Do you know what it will take to succeed in dentistry today? With over 30 years of experience in dentistry, the authors have unique and honest insight into what it takes to be a successful dentist. Dental school teaches you how to perform the dental treatment, but it doesn't teach you how to run a dental practice, manage a full staff and patients, or negotiate the financial responsibilities that are involved--to name only a few. This book will give you a head start on the competition. This book is a must read for the pre-dental student and the dental school student looking to not just be a dentist, but be a successful dentist. The authors have over 30 years of combined experience as practicing dentists. All three took different routes on their way to dental school and then into private practice giving them a unique perspective into the various aspects of dentistry.

#### **So You Want to Talk About Race** Piatkus Books

An essential guide for wannabe Vikings—and fair warning for those courageous, or crazy, enough to pledge allegiance to the cause. Kate, Eddie, and Angus are dazzled by pictures of Viking warriors' deadly axes and blingy swords in their library books. But when they're transported back in time to Scandinavia in 991 CE, they must figure out if they have what it takes to become Vikings themselves. A big, burly Viking called Bjorn initiates the kids in the ways of wielding a battle ax, plundering and looting, and soon they learn all sorts of other tricks as well, including how to get shipshape and navigate the seven seas with just a stone, how to recite rude poems, and how to scare enemies into submission before a battle even begins. Hervor, the haunted shield-maiden, is also on hand to share her tips on how to take off with a handsome ransom and how to make it into Valhalla in the afterlife. *So You Want to Be a Viking* features the field's latest scholarship and is illustrated throughout with zany illustrations by Japanese cartoonist Takayo Akiyama. Any kid who's ever daydreamed about being a fierce Norse warrior will love this interactive guide.
