From the bestselling duo of Donaldson and Scheffler, come your favourite stories --now available as readers! Scarecrows Harry O'Hay and Betty O'Barley are planning the best wedding the barnyard has ever seen! The scarecrow couple sets off for a hunt round the farm for everything they need for the festivities -- a big white dress, rings, wedding bells or, at least, cow bells. But when Harry's search for flowers takes him far, far away, a villainous scarecrow rival sees his chance to ruin this beautiful day . . . hurry back, Harry!

**Il buon gusto** Frog Books

Mo Romero is a zombie who loves nothing more than growing, cooking, and eating vegetables. Tomatoes? Tantalizing. Peppers? Pure perfection! The problem? Mo's parents insist that their niño eat only zombie cuisine, like arm--panadas and finger foods. They tell Mo over and over that zombies don't eat veggies. But Mo can't imagine a lifetime of just eating zombie food and giving up his veggies. As he questions his own zombie identity, Mo tries his best to convince his parents to give peas a chance. Super duo Megan and Jorge Lacera make their picture--book debut with this sweet story about family, self--discovery, and the power of acceptance. It's a delectable tale that zombie and nonzombie fans alike will devour.

"It's Getting Later All the Time is an epistolary novel with a twist. Seventeen men write seventeen strangely beautiful letters - tender or rancorous - lonely monologues which move in circles. Each missive describes an affair, and each man is desperate for a reply which may never come. But then a revolutionary eighteenth letter arrives."--BOOK JACKET.

[Gli scrittori pedagogici italiani del secolo decimonono](#) Princeton Architectural Press

A delightful literary foray for adults and children alike, from the inexhaustible imagination of Booker Prize-winning, best-selling author Ian McEwan. In these seven exquisitely interlinked episodes, the grown-up protagonist Peter Fortune reveals the secret journeys, metamorphoses, and adventures of his childhood. Living somewhere between dream and reality, Peter experiences fantastical transformations: he swaps bodies with the wise old family cat; exchanges existences with a cranky infant; encounters a very bad doll who has come to life and is out for revenge; and rummages through a kitchen drawer filled with useless objects to discover some not-so-useless cream that actually makes people vanish. Finally, he wakes up as an eleven-year-old inside a grown-up body and embarks on the truly fantastic adventure of falling in love. Moving, dreamlike, and extraordinary, *The Daydreamer* marks yet another imaginative departure for Ian McEwan.

*Zombies Don't Eat Veggies!* Pantheon

Winnie the Witch lives in a black house. She has black chairs and black stairs, black floors and black doors. The trouble is that Winnie's cat, Wilbur, is also black. After sitting on him and tripping over him, Winnie decides to turn Wilbur into a green cat. But then he goes out into the long grass! Winnie is going to need a little magic to make sure she can always see Wilbur... A beautifully crafted story with a colourful final twist, this big book is ideal for sharing with a group. 'Both illustrations and story are truly memorable' Books for Keeps Dedicated website at [www.winnie-the-witch.com](http://www.winnie-the-witch.com)

**L'unione giornalietto didattico-politico degli'insegnanti primari d'Italia** Scholastic Inc.

Nella commedia, dove Bruno definisce se stesso un «accademico di nulla accademia», è mostrato un mondo assurdo, violento e corrotto, rappresentato con amara comicità, dove gli eventi si succedono in una trasformazione continua e vivace.Lo stesso apparato introduttivo ai cinque atti in cui la commedia è suddivisa risulta inconsueto e articolato, ponendosi in contrasto con i canoni della commedia tradizionale rinascimentale: alla poesia iniziale indirizzata ai poeti e a una dedica alla signora Morgana B. (probabilmente una conoscente di Bruno), seguono un "argomento", dove Bruno riassume la trama; un "antipologo", dove l'autore capovolgendo subito quanto proposto in precedenza, ironizza sulla possibilità stessa di rappresentare realmente questa commedia; un "proprologo", dove egli polemizza contro le ideologie false, e un "bidello", che finalmente licenzia la commedia.

CONTENUTI - Obiettivi Narrare distinti testi letterari.Punti di vista, dialoghi, spazio, tempo. Conoscere le basi del racconto come genere letterario. Scoprire la struttura d'approccio, il nodo e la soluzione. - Metodologia Proposta d'analisi di determinati racconti. Partecipazione attiva inerente alle proposte offerte. Le proposte di lavoro vengono intese da un punto di vista descrittivo in modo da poter analizzare diversi tipi di testo. Il corso è suddiviso nelle seguenti parti: analisi del racconto, struttura, genere, spazio e tempo, personaggi, esercizi scritti per gli alunni del corso, scrittura e produzione di un testo personale. - Programma Primo avvicinamento al concetto di racconto. Lo scrittore come ricettore ed emittente. Lettura ed analisi di un racconto. L'invenzione di un mondo possibile. Elaborazione della finzione a partire da una situazione quotidiana. Proposta di scrittura. L'importanza della propria esperienza intesa come impulso per una scrittura creativa. La consistenza dei ricordi (riguardanti i vicini o i conoscenti). Proposta di scrittura. La manipolazione della realtà e della propria esperienza: elaborazione dei racconti. Proposta di scrittura. I punti di vista e la persona narrativa. Analisi dei racconti. Proposta di scrittura. Il racconto, il racconto breve. Proposta di scrittura. Linee guida per la creazione di racconti. Quadri riassuntivi.

**Pronoia Is the Antidote for Paranoia** Verso Books

Vocal translation is an old art, but the interpretive feeling, skill and craft have expanded into a relatively new area in translation studies. Vocal translation is the translation of the poetic discourse in the hybrid art of the musicopoetic (or poeticomusical) forms, shapes and skills. This symbiotic construct harmonizes together the conflicting roles of music and language in face-to-face singing performances. ...] In opera, folksong, hymn and art song, as well as in operetta, musical song and popular song, we have musical genres allied to a libretto with lyrical text. A libretto is a linguistic textwhich is a pre-existing work of art, but is subordinated to the musical text. The essays in this volume provide interpretive models for the juxtaposition of different orders of the singing sign-events in different languages, extending the meaning and range of the musical and literary concepts, and putting the mixed signs to a true-and-false test.

*I diritti della scuola* Creative Options

Reminiscent of Scheherazade and *One Thousand and One Nights*, Gianni Rodari's *Telephone Tales* is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it's a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it's a land filled with butter men who melt in the sunshine Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy's most important children's author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (*The Forest*), *Telephone Tales* entertains, while questioning and imagining other worlds.

*The Comrade from Milan* OUP Oxford

First published in Italy in 1956, Bruno Munari's *In the Darkness of the Night* tells the tale of an interconnected, intimate yet expansive journey across

three settings—in the darkness, through a meadow, and into a mysterious cave—through a spellbinding combination of paper stocks, transparencies, cutouts, and simple but lively characters. This timeless artist's book, available in a new English edition, is a must-have for Munari fans, designers, bibliophiles, and lovers of exceptional book design.

[Il risveglio educativo](#) Franklin Classics

Set in the 1860s, *The Leopard* tells the spellbinding story of a decadent, dying Sicilian aristocracy threatened by the approaching forces of democracy and revolution. The dramatic sweep and richness of observation, the seamless intertwining of public and private worlds, and the grasp of human frailty imbue *The Leopard* with its particular melancholy beauty and power, and place it among the greatest historical novels of our time. Although Giuseppe di Lampedusa had long had the book in mind, he began writing it only in his late fifties; he died at age sixty, soon after the manuscript was rejected as unpublishable. In his introduction, Gioacchino Lanza Tomasi, Lampedusa's nephew, gives us a detailed history of the initial publication and the various editions that followed. And he includes passages Lampedusa wrote for the book that were omitted by the original Italian editors. Here, finally, is the definitive edition of this brilliant and timeless novel. (Translated from the Italian by Archibald Colquhoun.)

"In this how-to book, Rob Breznsny builds a case for 'cagey optimism,' a perspective which engages rather than represses difficulty and views the universe as inherently friendly"--Provided by publisher.

[The Daydreamer](#) Rodopi

“[An] excellent sequel to Stuart’s Cape . . . Precocious readers looking for clever and unusual situations will not be disappointed. Hilarious.” —Kirkus Reviews (starred review) Our favorite worrier is back, and Stuart is about to start third grade. As he makes his way to the first day of school, wearing the worst outfit ever, what could a first-rate worrier do but worry? Stuart worries about getting stuck in the boys’ bathroom, about not having anything to show for show-and-tell, but most of all, about not making any friends. With his cape, though, Stuart is bound to have a day full of wacky adventures. “This humorous fantasy perfectly captures the child’s-eye view of elementary-school life . . . Young readers are sure to identify with Stuart’s persistent quest to find his place in the classroom society.” —School Library Journal “[A] wryly funny mix of the real and the magical, enhanced by Matje’s quirky line art.” —Publishers Weekly

**L'Italia che scrive** Chronicle Books

Leo is an Italian writer in his thirties. Thomas, his German lover, is dead. On a plane to Munich, Thomas's home town, Leo slips into a reverie of their meeting and life in Paris, nights in Thomas's flat in Montmartre and a desperate, drug-induced flight through the forests of northern France that spells the end for Leo and Thomas' languid, erotic life together. Leo travels to find anonymity.Structured in three musical movements, *Separate Rooms* is a story of ideal love, broken by absence and separation. When Thomas was alive, he and Leo had separate rooms in order to preserve the urgency of their passion. Now, Leo faces solitude, the impossible striving of memory to recreate life and the hostility of a prejudiced world. *Separate Rooms*, Tondelli's last book, is a powerful novel of the strength of love and the trauma of death.

[Song and Significance](#) Children's Book Press (CA)

A sunny day, a curious little girl, a playful wave. Step into these deceptively simple pages for a day at the sea - and a joyful story that begins and ends with a wave.

*Cuore* Routledge

The book examines the major issues in perinatal clinical psychology with the presence of theoretical information and operational indications, through a biopsychosocial approach. The multiplicity of scientific information reported makes this book both a comprehensive overview on the major perinatal mental health disorders and illnesses, and a clinical guide. It covers perinatal clinical psychology through a journey of 15 chapters, putting the arguments on a solid theoretical basis and reporting multiple operational indications of great utility for daily clinical practice. It has well documented new evidence bases in the field of clinical psychology that have underpinned the conspicuous current global and national developments in perinatal mental health. As such, it is an excellent resource for researchers, policy makers, and practitioners - in fact, anyone and everyone who wishes to understand and rediscover, in a single opera, the current scientific and application scenario related to psychological health during pregnancy and after childbirth.

**Atti - Accademia delle scienze di Torino. Classe di scienze fische, matematiche e naturali**

In this much-lauded memoir, acclaimed for its blend of literary elegance and political passion, Rossana Rossanda, a legendary figure on the Italian left, reflects on a life of radical commitment. Active as a communist militant in the Italian Resistance against fascism during World War Two, Rossanda rose rapidly in its aftermath, becoming editor of the Communist Party weekly paper and a member of parliament. Initially a party loyalist, she was critical of the party’s conservatism in the face of new radical movements and moved into opposition during the late 1960s. The breach widened after she and others publicly opposed the Soviet invasion of Czechoslovakia, and were expelled in 1969. She went on to help found the influential paper *il manifesto*, which remains the most critical daily in Berlusconi's Italy. Her unique experience enables her to reconstruct that period with flair and authority. She paints a revealing picture of fascism, communism, post-war reconstruction and the revolts that shook Europe in the 1960s. In *The Comrade from Milan*, one of the most influential intellectuals of the European Left relives the storms of the twentieth century. Both cool-headed and precise, Rossanda provides a rare insight into what it once meant to be politically engaged.
